ASSEMBLY:

Cut out the game instructions and the ice cream shapes on page 1 and page 2. Laminate the pieces if desired. Store the pieces in a ZipLock storage bag.

Ice Cream Intervals Game

for beginner piano students

GAMEPLAY:

Spread the ice cream cones out across the floor. Choose an ice cream scoop at random and then match it to the correct cone to identify the interval as a 2nd or a 3rd.

Note: This is a sample of the complete version of the Ice Cream Intervals Game available for purchase at ColorInMyPiano.com/shop. Enjoy!
